GENERAL ACTIVITIES.

RESTORATION OF 1896 LATITUDE PIER, SPOKANE COUNTY COURTHOUSE:

Jim McLeFresh & Walt Dale have received the brass plaque from the foundry and it is ready for installation. Do not have an updated schedule for placement.

JERRY OLSON'S NEW BOOK "SURVEYING NORTH OF THE RIVER":

Jerry has published his new book. Another amazing effort from Jerry about the GLO surveys & surveyors in the Territory/State of Washington. Jerry continues to update his vast amount of info on GLO & other Washington surveyors with pictures & gravesites. Visit his website @ http://www.olsonengr.com/hist_survey_first.php.

DAVID THOMPSON BICENTENNIAL ACTIVITIES:

There are many, many things going on. See LSAW Historical Society Annual Report on website.

NATIONAL MUSEUM OF SURVEYING ACTIVITIES:

GRAND OPENING: MARCH 19, 2011:

Our website had been updated and is truly new and improved. LEASE VISIT THESE LINKS:
