REPORT TO THE LSAW BOARD OF TRUSTEES

MEETING DATE: **MAY 3RD, 2008 PORT ANGELES, WA.**

CHAPTER/COMMITTEE/SUBJECT **LSAW HISTORICAL SOCIETY**

RESPECTFULLY SUBMITTED BY: **DENNY DEMEYER, CHAIRMAN**

Had our ANNUAL BREAKFAST MEETING at the Spokane Conference, special speaker was noted author Jack Nisbet (lined up by Walt Dale). Donated;

- \$1000.00 to the National Museum of Surveying, http://www.surveyhistory.org/national_museum_of_surveying.htm
- \$500.00 to the 2008 David Thompson Brigade, <http://www.2008thompsonbrigade.com/>
<http://www.2008thompsonbrigade.com/sponsors.htm>
- \$250.00 to the 2008 David Thompson Conference/Symposium to be held June 20-21 in Bonners Ferry, Idaho.
- Raised our annual membership fees from \$25.00 to \$50.00 per year.
- Other stuff I cannot remember.

Many members continue to pursue projects as outlined in the minutes to be posted on our Historical Society webpage.

"THE L.S. GROUP, BRITISH COLUMBIA'S FIRST LAND SURVEYORS".

Received complimentary copy from the BCLS of their new 386 (beautifully done) page book. Our Jerry Olson is working on something very similar for our GLO surveyors and has quite a data base on these and other surveyors already.

COMMEMORATION OF THE INTERNATIONAL BOUNDARY: INTERNATIONAL PEACE ARCH PARK, BLAINE. Have been contacted by the chairman of this organization (Christina Alexander, I have worked with her before) and alerted to a function to be attended by both Canada & American Boundary Commissioners on June 4th. I have contacted the BCLS and we are working on some type of joint project. I will forward all correspondence to Anne & President Peterson but the Historical Society will not let this opportunity to participate slip away.

2008 DAVID THOMPSON BRIGADE FROM ROCKY MOUNTAIN HOUSE, ALBERTA TO FORT WILLIAM IN THUNDER BAY, ONTARIO. Delores and I will be representing the LSAW Historical Society and the Surveyors Historical Society canoeing down the North Saskatchewan River in the Alberta Land Surveyor's Association canoe for two weeks (May 10 – 25): one of 15 voyageur canoes in the brigade from Alberta to Ontario.

Respectfully submitted,

Denny DeMeyer
